5. On March 20, 2023, this Court entered the *Order Directing Joint Administration and Procedural Consolidation of Cases* [D.I. 42], directing procedural consolidation and joint administration of these Bankruptcy Cases.

6. The Debtors’ operations in the U.S. have all ceased. However, the property of the Estates includes outstanding accounts receivables owed to the Estates by certain companies.

**Retention of Saul Ewing**

7. On November 2, 2023, this Court entered the *Order Granting Application of George L. Miller, Chapter 7 Trustee, for Authority to Employ and Retain Saul Ewing LLP as Special Counsel to Chapter 7 Trustee, Effective as of October 26, 2023* [D.I. 692].

On December 13, 2024, this court entered the Order (I) Authorizing the Expanded Scope of Employment and Retention of Saul Ewing LLP as Special Counsel to Chapter 7 Trustee, Effective as of November 12, 2024 and (II) Granting Related Relief (the “Supplemental Retention Order”) [D.I. 1011].

**Professional Services Rendered**

9. Saul Ewing submits this Sixth Interim Fee Application seeking interim approval and allowance of compensation in the amount of \$482,491.00, and actual and necessary expenses in the amount of \$14,568.80 incurred during the Application Period.

10. Saul Ewing's hourly rates are set at a level designed to compensate Saul Ewing for the work of its attorneys, paralegals and paraprofessionals and to cover fixed and routine expenses. The hourly rates and corresponding hourly rates structure utilized by Saul Ewing in these Bankruptcy Cases are equivalent to the hourly rates and corresponding rate structure used by Saul Ewing for other corporate restructuring and bankruptcy matters, as well as similar complex corporate, labor, real estate and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. Attached hereto as **Exhibit A** is a summary of the blended hourly rates for timekeepers who billed during the Application Period and Saul Ewing's firm-wide range of billing rates for its various positions.

11. Saul Ewing maintains computerized records of all time expended for the professional services rendered in connection with these Bankruptcy Cases on behalf of the Chapter 7 Trustee. Attached hereto as **Exhibit B** is a summary of fees incurred and hours expended during the Application Period along with a detailed, chronological itemization covering all the services performed by Applicant. This detailed itemization complies with Del. Bankr. L.R. 2016-2(d) in that (i) each time entry contains a separate time allotment, a description of the type of activity and the subject matter of the activity, (ii) all time is billed in increments of one-tenth of an hour, and (iii) time entries are presented chronologically by Applicant.

12. Attached hereto as **Exhibit C** is a detailed itemization, by project category, of all services performed by Applicant with respect to these matters during the Application Period. Non-working travel time (to the extent applicable) is billed at 50% of normal rates.

13. Attached hereto as **Exhibit D** is a description of the costs actually expended by the Applicant in the performance of services rendered as special counsel to the Chapter 7 Trustee during the Application Period. These costs for which reimbursement is requested total \$4,086.79.

The breakdown of costs includes the rate for copying charges (\$.10/page) and the basis for each rate, facsimile charges (\$.25/page – outgoing transmission only), legal research, courier services, outside reproduction, transcript, cab and uber fares, parking, mileage, airfare, hotels, meal and parking. By this Application, the Applicant does not seek expenses for incoming facsimile transmissions.

14. Saul Ewing maintains flat fee contracts with both Westlaw and Lexis. As a general matter, and in the present case, Saul Ewing charges all clients (bankruptcy and non-bankruptcy) on whose behalf legal research is undertaken the amounts that Westlaw and Lexis charge to regular users (i.e. users that do not maintain flat fee contracts) on a basis that is tied to the actual length of usage for each research session; however, Saul Ewing then applies a 50% discount to the amounts charged to its clients. In applying such discounted charges to its clients, Saul Ewing passes the benefits of the flat fee arrangement on to its clients while also maintaining a revenue neutral arrangement under its contracts with Westlaw and Lexis; specifically, Saul Ewing does not derive a profit from such legal research charges.

15. Attached hereto as **Exhibit E** is a Declaration of Applicant with respect to the compensation requested.
